FOR IMMEDIATE RELEASE

Maxim TEP Inc., doing business as Maxim Oil & Gas, Inc., have retained the services of Capital Group Communications as their Industrial Relations firm. Maxim will engage the services of Capital to assist the Company in the efforts to gain greater recognition and awareness among relevant investors in the public capital markets. Further, Capital will represent the Maxim in investor communications and public relations with existing shareholders, brokers, dealers, and other investment professionals.

Robert D. Johnson, Maxim's CEO and President, said, "The addition of Capital Group Communications will provide the necessary conduit to get our story to the general public; and, enable Maxim to raise the funds required for development of its assets."

This news release contains certain forward-looking statements or statements which may be construed to be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 including, without limitation, expectations, beliefs, plans and objectives regarding production and exploration activities. These forward-looking statements reflect management's reasonable judgment with respect to future events and involve, and are subject to known and unknown risks associated with, uncertainties and other factors which could cause Maxim's actual results, performance (financial or operating) or achievements to differ materially from the future results, performance (financial or operating) or achievements expressed or implied by such forward-looking statements. As such, there is no assurance that Maxim's expectations will be realized, and actual results may differ materially from those expressed in the forward-looking statements. The risks, uncertainties and other factors are more fully discussed in Maxim's filings with the U.S. Securities and Exchange Commission. All forward-looking statements made herein are expressly qualified in their entirety by the abovementioned cautionary statement. The Company assumes no duty to update any such statement.
